- **Scholarship Coverage**

1. Tuition and Educational Support Fees (Full Thesis Support)

- **TU Matriculation Fee (600 Baht)**
- **TU Educational Support Fees (800 Baht [IT Serviced by TU] + 55 Baht [Group Accident Insurance Fees] per semester)**

Note:

1. TU Matriculation Fee will be once deducted from the first payment of living allowance.
2. TU Educational Support Fees will be deducted from payment of living allowance on every first month of each regular semester.

If any enrollment in summer session is required, the educational and tuition fee for the summer session must be fully paid by the Scholarship Recipient.

In the case that the Scholarship Recipient has completed all his/her required credits within the aforementioned coverage period but cannot graduate, the Scholarship Recipient will cover the student's status maintaining fee of 4,800 Baht on the successive semester only.

2. Living Allowance: 8,000 Baht/month

Living allowance will be transferred monthly to the recipient's Thai Military Bank PCL (TMB) account, Thammasat-Rangsit Branch.

- Before the 20th of every month during the scholarship period, the Scholarship Recipient must sign a living allowance request form at the SIIT Student Affairs and Alumni Relations Division (SA & AR).
- Under supervision of his/her academic advisor, the Scholarship Recipient is eligible to take a vacation of **not more than 30 days**. In the case that the Scholarship Recipient intends to take a short period leave and cannot sign the living allowance request form at the end of any particular month, he/she needs to get approval from his/her advisor to take that leave. The living allowance payment of the month of absence will be processed in the month after the Scholarship Recipient returns to SIIT.
- In the case that the Scholarship Recipient desires to take a leave for a period of longer than 30 days, the leave request form has to be submitted and approved by the SIIT Executive Committee through the advisor's recommendation on a case-by-case basis.
- However, Scholarship Recipient is not allowed to redundantly get the living allowance from SIIT, if they get the living allowance from any other source.

3. Accident Insurance

During the period of a scholarship, the Institute will provide appropriate accident insurance to a Scholarship Recipient.
